United Kingdom and Serbia: Improving economic co-operation

Publisher: Bojović &
Partners

On 4 February 2013 Partner Marija Bojović participated in the seminar organized by [EUROSFERA](#) at the Parliament members' club in Belgrade under the title „United Kingdom and Serbia: Improving economic cooperation“ and supported by, *inter alia*, the British-Serbian Chamber of Commerce. Marija gave a presentation entitled „Potential barriers for investing in Serbia and proposals for overcoming“. The goal of the seminar was to bring together representatives of the Serbian and British business communities and government officials in an effort to explore new routes to export and the potential for strengthening of bilateral trade between Serbia and the UK.
